

Sierra Service Project Summer 2017 Individual Program Scholarship Application

Sierra Service Project is committed to making it possible for all youth to participate in its programs regardless of their personal financial situation. To this end, we hope to offer \$30,000 in scholarships to volunteers for SSP's programs this year. These scholarships take the form of discounts off your second and/or final payments. To take advantage of these funds, you must be participating in SSP's Individual Program and committed to doing the following:

- You will fundraise for your SSP experience.
- You will ask your family to contribute to your SSP experience.
- You will ask your church as a whole to contribute (if you are part of one).
- To help SSP build this scholarship program, you will write thank you letters to the donors of SSP's scholarship fund.

If you are committed to doing all of the things above, please fill out the rest of this form.
