

# Volunteers Needed!

Fall 2016 - Spring 2017

Neighborhood Beautification Work Days

We are looking for volunteers to help with community projects. There are no requirements to volunteer. We provide the tools, instruction, and lunch. We will host your business, organization, scout troop, church group, or friends who want to help. Groups of six volunteers or more can work during weekdays or weekends.

## Chain Link Fence Removal, Painting, Yard Cleanup, & Other Home Repairs

The Rancho Cordova Neighborhood Beautification Program is provided by the Sierra Service Project (SSP) and supported by the Measure H Community Enhancement Fund from the City of Rancho Cordova. SSP is a local 501(c)(3) nonprofit committed to strengthening communities through service to others.
