

Sierra Service Project 2018 Weekends of Service Group Scholarship Application

Sierra Service Project offers scholarships so that all youth can participate in our programs regardless of their personal financial situation. To request funds for your group, you must be committed to the following:

- You will fundraise as a group to raise money for your SSP experience.
- You will ask each youth's family to contribute to their child's (or children's) experience.
- You will ask the church as a whole to contribute to the group.
- To help SSP build this scholarship program, you will ask some of your youth to write thank you letters to the donors of SSP's scholarship fund.

If you are committed to doing all of the things above, please fill out the rest of this form.
