San Diego Home Repairs

The Sierra Service Project (SSP) is a nonprofit organization committed to strengthening communities through service to others. Our services are provided free-of-charge to residents regardless of race, gender, disability, age, or religion. SSP’s home repair work is done by teenage and adult volunteers who are supervised by experienced paid staff. This will be SSP’s fourth summer serving in San Diego, but first serving in the South Bay.

Project List SSP teen volunteers are able to complete:

- **Building or repairing wheelchair ramps, stairs, porches, awnings, and fences.**
- **Yard work** (weeding, minor trimming and pruning, gleaning fruit trees, no large tree removal)
- **Painting** (inside and outside)
- **Floor and wall repair**
- **SSP is NOT able to repair windows, doors, and roofs or do any electrical or plumbing work.**
- **SSP is NOT able to paint homes that test positive for lead paint.**

After receiving a work request, an SSP employee will visit your home to evaluate the work requested. It is not possible to complete all requested work due to time, budget, and volunteer limitations. A visit to your home does not guarantee that a project will be approved. SSP will do all work promised by this employee. The work will be scheduled between July 2 and August 10, 2018.

Questions?

Contact Regional Coordinator Shaila Homan: (480) 415-1121, Shaila.Homan@SierraServiceProject.org
