

Sponsor a Day of Service

Corporate and Business Groups: *Single Days of Service*

Purpose

To provide a team building experience for your business while giving back through home repair projects. Projects include painting, yard work, and repairing or building fences for low-income families in partnership with the [City of Rancho Cordova](#).

Your Company Provides

5 to 10 volunteers to repair a home on your day of service. A full or half workday is available.

Sierra Service Project Provides

- 30-minute pre-project orientation 1-2 weeks before your workday
- Lunch
- Planned project for your team
- All project materials and tools
- Trained site leader to facilitate your group's workday

Dates

Available every day (week day or weekend day) between October through May except major holidays.

Employee Benefits

Many companies report back to us that volunteering is an incredible team building opportunity for their staff. Several team leaders have reported it was better than a professionally led team building exercise their company paid to conduct.

Benefits of single day sponsorship – \$1,000

- [Facebook](#) and [Instagram](#) post recognition (3,748 followers)
- Yard sign for the day at your project site
- Company link and recognition on our website (46,264 unique page views annually)
